§11–611.

A court may not assess costs on a person or governmental unit to whom a restitution obligor has been ordered to pay restitution:

- (1) for recording and indexing an order of restitution as a money judgment in the court in which the judgment of restitution was issued;
- (2) for recording and indexing a notice of lien that the District Court forwards to a circuit court; or
- (3) for filing a notice of satisfaction.
